

A Mathematicians Apology

A Mathematician's Apology is an essay by British mathematician G. H. Hardy. It concerns the aesthetics of mathematics with some personal content, and I propose to put forward an apology for mathematics; and I may be told that it needs none, since there are now few studies more generally recognized, for good. A Mathematician's Apology (Canto Classics) Hardy's essay is excellent, he really exposes his mind to the reader. This is not the actual version of the original G.H. Hardy book.
