

Poems about : Life, Family, Romance and heartbreaks: Breakthrough

Complicated Love

My mind in one place and my heart in another
How do I let this go when I still wonder
About you, about us, and where it all went wrong

Could it be fixed?
Am I wrong to still think like this?

I'm holding onto the good memories and blocking
out the bad
You have a piece of my heart that I'll never get
back

How can I hate you, but still love you?
I can't construe these emotions
I feel like I'm constantly battling myself in this
commotion

I keep thinking you'll have a breakthrough
That we'll redo and start new
If only you knew how much I loved you
